THE AMERICANS WITH DISABILITIES ACT**

In accordance with the requirements of Title II of the Americans with Disabilities Act of 1990 (“ADA”), the Ozark R-VI School District (“School District”) does not discriminate on the basis of disability against qualified individuals with a disability with respect to the School District’s services, programs or activities.

Anyone who requires an auxiliary aid or service for effective communication, or a modification of policies or procedures to participate in a service, program, or activity of the School District should contact the respective Compliance Coordinator, whose contact information is listed below. Such contact should be made as soon as possible, but not later than 48 hours before the scheduled event (and, preferably, at least five (5) business days before the event).

The ADA does not require the School District to take any action that would fundamentally alter the nature of its programs or services or impose an undue financial or administrative burden.

Complaints that a School District service, program, or activity is not accessible to persons with a disability may be directed to the Compliance Coordinator below. In addition, as stated in the School District’s Notice of Nondiscrimination, a person who is unable to resolve a problem or grievance arising under Title II of the ADA may contact the Office for Civil Rights, Region VII, 8930 Ward Parkway, Suite 2037, Kansas City, Missouri 64114; telephone (816) 268-0550.

NOTIFICATION UNDER FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

The *Family Educational Rights and Privacy Act* (FERPA), a Federal law, requires that Ozark R-VI School District (“District”), with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child’s education records. However, the District may disclose appropriately designated “directory information” without written consent, unless you have advised the District to the contrary in accordance with District procedures. The District complies fully with FERPA, which affords parents/guardians (“parents”) and students who are at least age 18 (“eligible students”) the following rights:

RIGHT TO INSPECT: Parents or eligible students have the right to inspect and review the student’s “educational records,” as that term is defined under FERPA, within 45 days of the date upon which the District receives a request for access. The District is not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. The District may charge a fee for copies.

RIGHT TO PREVENT DISCLOSURE: Parents or eligible students have the right to prevent disclosure of educational records to third parties with certain limited exceptions. The District will attempt to limit the disclosure of information contained in educational records to those instances when prior written consent has been given for the disclosure. However, upon request, the District will disclose information to officials of other schools in which a student seeks or intends to enroll. The District may also disclose information under the provisions of FERPA that allow disclosure without prior written consent, as well as directory information (unless you have refused to permit such disclosure of directory information), in accordance with FERPA regulations. The District will disclose educational records to school officials who have a legitimate educational interest in the records. Officials include those persons employed by the District, whether paid or unpaid, as an administrator, supervisor, instructor, or support staff member, including health or medical staff; persons retained by or under contract to the District to perform a special task, such as an attorney, auditor, etc.; or persons who are employed by the District’s law enforcement unit. School officials have a legitimate educational interest if the officials are: performing a task related to a student’s education; performing a task related to the discipline of a student; providing a service or benefit relating to the student or student’s family, such as health care, counseling, job placement, or financial aid; or maintaining the safety and security of the campus.

DESIGNATION OF DIRECTORY INFORMATION: The District has designated certain information contained in the educational records of its students as directory information for purposes of FERPA. The District considers the following to be directory information:

- **Students in kindergarten through eighth grade** -- Student’s name; parent’s name; grade level; participation in school-based activities and sports; weight and height of members of athletic teams; honors and awards received; artwork or coursework displayed by the district; and photographs, videotapes, digital images and recorded sound unless such photographs, videotapes, digital images and recorded sound would be considered harmful or an invasion of privacy.
- **High school and vocational school students** -- Student’s name; parent’s name; address; telephone number; grade level; participation in school-based activities and sports; weight and height of members of athletic teams; dates of attendance; degrees, honors and awards received; artwork or coursework displayed by the district; and photographs, videotapes, digital images and recorded sound unless such photographs, videotapes, digital images and recorded sound would be considered harmful or an invasion of privacy.

The District may disclose such directory information for any purpose in its discretion without the consent of a parent of a student or an eligible student. Parents of students and eligible students have the right, however, to refuse to permit the designation of any or all of the above information as directory information. In that case, the information will not be disclosed except with the consent of a parent or student, or as otherwise allowed by FERPA. Any parent or student refusing to have any or all of the designated directory information disclosed must file written notification to this effect with the principal of the school which the student attends. In the event a notification of refusal is not filed, the District assumes that neither a parent of a student or an eligible student objects to the release of the directory information designated.

MILITARY RECRUITER ACCESS/STUDENT RECRUITING INFORMATION: Upon request of military recruiters, the District is required by law to provide access to secondary students' names, addresses, and telephone listings. However, any secondary student or parent of a secondary student may request that the student's name, address, and telephone listing not be released without prior written consent of the parent. Requests that a student's name, address, and telephone listing not be released to military recruiters must be submitted, in writing, to the Assistant Superintendent, Ozark School R-VI District, 302 North 4th Avenue, P.O. Box 166, Ozark, MO 65721.

RIGHT TO REQUEST AMENDMENT: Parents or eligible students have the right to request that the District correct any parts of an educational record believed to be inaccurate, misleading or otherwise in violation of their rights. A parent or eligible student must submit the request to the Director of Special Services, Ozark School R-VI District, 302 North 4th Avenue, P.O. Box 166, Ozark, MO 65721. The request must identify, in writing, the part of the record sought to be corrected and specify why it is inaccurate/misleading. If the District decides not to amend the record, it will notify the parents or eligible student and provide information on the right to a hearing to present evidence that the record should be changed.

RIGHT TO COMPLAIN TO FERPA OFFICE: Parents or eligible students have the right to file an external complaint regarding the District's implementation of FERPA, and such complaint may be filed with the Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, D.C. 20202.

NOTIFICATION DIRECT SERVICE CLAIMING

Our School Agency receives funding from the Medicaid Direct Service Claiming (DSC) program for IEP covered services to eligible children through the State's Medicaid agency. This is a state-approved program that allows our School Agency to receive reimbursement from federal funds for providing some health-related covered services to eligible children in our school system. Examples of covered services include speech therapy, assistance with daily living skills, physical therapy, and nursing services. We are required to notify you of our participation and the IDEA regulations stated below.

The School Agency, working with the State Medicaid agency, will need to determine if your child is eligible or should become eligible in the school-based Medicaid program. Your written consent indicates that you understand and agree that the District will submit your child's information to the State Medicaid agency and their authorized agencies to verify eligibility and submit claims for the DSC program. The school may use Medicaid benefits in which a child participates to provide or pay for services documented in the Individualized Education Program (IEP). Parents are not required to sign up for or enroll in Medicaid to receive IEP services or a free appropriate public education, nor are they responsible for any out of pocket expenses for these IEP services. Also, the School Agency's access to these benefits is not allowed if it would have a negative impact on your public insurance.

We will provide the required services to your child at no cost to you whether or not you grant your written consent. Your consent is voluntary and may be revoked at any time. The School Agency's use of this reimbursement program does not in any way affect or impact other Medicaid benefits to which the child is entitled, including any otherwise eligible services out of the school.

Please e-mail Jeff Simpson at laciehart@mail.ozark.k12.mo.us, or call Jeff Simpson at 417 582 5957 if you have questions.

The School District has adopted policies regarding these rights, as well as arrangements to protect student privacy in the administration of protected information surveys and the collection, disclosure, or use of personal information for marketing, sales, or other distribution purposes.

The School District will notify parents of these policies at least annually at the start of each school year and after any substantive changes. The School District will also directly notify, such as through U.S. Mail or email, parents of students who are scheduled to participate in the specific activities or surveys noted below and will provide an opportunity for the parent to opt his or her child out of participation of the specific activity or survey. The School District will make this notification to parents at the beginning of the school year if the School District has identified the specific or approximate dates of the activities or surveys at that time. For surveys and activities scheduled after the school year starts, parents will be provided reasonable notification of the planned activities and surveys listed below and be provided an opportunity to opt their child out of such activities and surveys. Parents will also be provided an opportunity to review any pertinent surveys.
